To Live United is as simple as becoming a part of the efforts to improve our community. You can do this by giving, advocating or volunteering.

GIVE. Donations of cash or payroll deductions are used to fund programs that build lasting change.

ADVOCATE. One person's voice can influence many and change the lives of those in the community. A community working together can raise awareness and create a brighter future.

VOLUNTEER. The gift of your time in volunteering directly impacts lives of people around you.

We invite you to join us, and be proud to Live United!
Will You Join Us?

Our community needs people like you - change-makers, hand-raisers, and engaged citizens - who fight to give our youth a strong start, empower everyone to thrive - not just survive, and help people live longer, better lives.

YOUR VOICE, YOUR TIME, AND YOUR CONTRIBUTION MATTERS.

We are all in this together. And together, we can thrive!

What Does United Way Do?

While most charities focus on a single group or issue, we tackle our community’s issues as a whole.

We bring people and organizations together. Employers, non-profits, government, faith-based organizations, educators, labor, health providers, community leaders, youth and many others partner with us.

Together, we identify, prioritize, and solve our community’s toughest issues to achieve long-term, lasting change.

- The money we raise stays in our service area.
- Together, we’re improving the lives of over 50,000 people right here in our community.

Every Dollar Counts

Here’s how your weekly contribution can make a real impact.

A gift of:

- $1.00 Per week ($52 Gift) Provides one student with a dental assessment and fluoride varnish.
- $5.00 Per week ($260 Gift) Provides a hot meal for 15 people for one week.
- $10.00 Per week ($520 Gift) Provides five families a week of shelter in a safe and supportive environment.
- $19.50 Per week ($1000 Gift) Provides 4 students with clothes, shoes, and hygiene items that will enable them to feel confident in their appearance at school.

The Best Way to Give

When you make a gift to Arrowhead United Way, you invest in our Community Care Fund, which allows you to help more people than giving to a single non-profit.

Please consider putting our community first by investing in Arrowhead United Way.
